

*Utah Housing Alliance in conjunction with
the Utah Home Builders Association and the Utah Division of
Occupational and Professional Licensing (DOPL) presents*

2019 Installation Training

These classes are approved for four hours of required continuing education for licensing in Utah. Instructor, Ed Short, will train on manufactured/modular home installations while referencing industry specific setup materials (installation guide, setup material directions, etc.). Ed will also provide information and examples on the proper use of installation specific products.

Thanks to a grant from DOPL resulting from contributions paid by Factory Built Home Dealers and a Building Permit Surcharge, the training is free of charge but **registration is required.**

Attendees must register by April 15, 2019.

Please mark an 'x' below indicating which meeting you will be attending.
